

Earth & Abo Bakr

Abo Bakr was a young boy who was very passionate about saving the planet earth. He was always thinking of ways to help the environment and make it a better place.

One day, Abo Bakr decided to take action. He started by turning off the lights when he wasn't using them, and recycling paper and plastic. He also planted trees and encouraged his friends to do the same. He also spread awareness about the importance of conserving water, energy, and resources. Abo Bakr was determined to help save the planet and make it a better place for everyone.
